

Covid 19 – Tier 3 Lockdown Restrictions

From Friday 13 November 2020

The First Minister has announced that due to an increase in COVID-19 cases throughout Scotland, there will be further restrictions in place moving as Perth & Kinross moves into Tier 3 with effect from 6am on Friday 13th November 2020. We ask that you co-operate with the new regulations and continue to enjoy the service we provide at the Clubhouse.

A reminder to all who play golf and visit the clubhouse of the need to follow the mandatory Tier 3 Covid 19 guidance in particular: -

- The Clubhouse, Lounge, Bar and Toilets will be open as per opening times, but It is mandatory that any visitors wear a face covering on entry to the Clubhouse and while moving around or using the toilet facilities. There will be disposable face masks and sanitiser available on the table at the entrance of the Clubhouse.
- Travel to the Club/course in separate vehicles. Car sharing should only take place for those in the same household
- In Level 3, travel outside your local authority should be avoided if not essential. Only travel locally.
- Groups of up to four golfers with no restrictions on the number of households represented can play golf together provided they adhere to the Government’s physical distancing rules.
- Change your shoes at your car (the changing rooms are still closed)
- Maintain the physical distancing where possible – keep 2 metres apart – and do not congregate in groups from different households – whether in the car park, the entrance to the clubhouse, in the lounge, at the bar or on the course
- Toilets are open in the clubhouse on a “one in one out” basis.
- Catering and bar facilities are still being provided at the Clubhouse as per opening times and your support of these facilities are much appreciated. Food can still be served with non-alcoholic drinks. Groups of up to 6 people are allowed at each table but only from a maximum of 2 households. NO alcoholic drinks can be served inside or outside, but they can be included in a takeaway as long as they are not consumed on the premises.
- You will be required to continue with providing your details for the Scottish Government’s test and protect system. Information will be kept in strict confidence and destroyed after 21 days.

It is important that we continue to show good adherence to the current guidance in place and Scottish Golf encourages all clubs and golfers to play their part in demonstrating that as a sport, we are acting responsibly and safely amidst the ongoing restrictions.

These Restrictions are Mandatory - Thank you for your co-operation
